# Accommodation

Eynesbury understands the importance of finding a safe and comfortable living environment in a new city. Eynesbury's dedicated accommodation staff can advise and help students arrange suitable accommodation. The Accommodation Office can arrange homestay, student residence and temporary accommodation and provide advice on other options, including renting apartments or houses.

## Students under 18 years of age

Students under the age of 18 must stay in homestay accommodation unless they are living with a parent or a guardian who is approved by the Australian Government. Full details are available from the Eynesbury Accommodation Office.

## Homestay

Homestay allows students to live with an Australian family. As members of a host family, students will be introduced to Australian culture and have the chance to practice their English language skills in everyday situations. Most host families are located less than 30 minutes by public transport from Eynesbury.

Homestays are also a good short-term accommodation option for older students while they are looking for an apartment or house to rent.

In a homestay students can expect:

- a warm, caring family environment
- a bedroom with a bed, a wardrobe and a desk for studying
- bathroom and laundry facilities
- towels, pillows, bed linen and blankets
- nutritious meals
- negotiated use of the kitchen, telephone and internet
- guidance, support and encouragement with English language, studies, planning social activities and adapting to life in Australia
- public transport information and assistance

Some homestays provide all of the above, except meals. Students in these homestays are expected to buy and prepare their own meals using the homestay kitchen facilities.

The cost of full-board homestay starts from A\$230 per week, and may include breakfast and dinner from Monday to Friday and all meals on weekends and holidays.

The cost of part board homestay starts from A\$140 per week.

For further information about homestays and fees, visit [eynesbury.navitas.com](http://eynesbury.navitas.com).

## Homeaway

Residence Accommodation for overseas students under 18 years of age.

Eynesbury, in partnership with Homeaway, now has a purpose built environmentally friendly student residence available to students who are under 18 years of age and are studying a program with Eynesbury.

Homeaway aims to provide a 'home away from home' for international students just three kilometres from the city centre of Adelaide.

The Homeaway location is based within close proximity of all major bus and tram transport services, a variety of food outlets, shopping centres, travel agents and medical centres.

Accommodating up to 32 students in single rooms, Homeaway is designed primarily for students who are here to complete their final years of schooling. Homeaway offers fully catered accommodation where meals and a weekly room clean (optional) is incorporated in a single fee.

Full details are available from the Eynesbury Accommodation Office.

## International student residences

Student residences provide excellent living facilities in an environment ideal for studying. Usually, students have to sign a lease for a minimum stay of six months although some student residences only ask for a minimum stay of seven weeks.

Full board (including all meals) and part board (meals not included) options are both available.

Student residences offer:

- private bedrooms
- shared bathrooms
- full kitchen facilities
- barbecue areas
- common rooms
- indoor and outdoor recreation facilities
- coin-operated laundry machines
- communal TV rooms with DVD players

Fees vary from A\$125–\$150 per week for part board (meals not included) to A\$245 per week for full board (three meals per day).

## Student apartments

Many student apartments are situated in the city centre, close to Eynesbury. These apartments are usually fully furnished and are only rented to students, normally for a minimum term of 12 months. Apartments offer between one and six bedrooms and generally include a kitchen, bathroom, air conditioning, living/study area and heating. Single, twin and double accommodation is often available.

Student apartments vary in cost from approximately A\$200 to A\$300 per week. Extra charges may apply for electricity, gas, internet access, telephone connection and laundry facilities.

## Private rental accommodation

Private rental accommodation, usually for 6–12 months, can be organised following arrival in Adelaide. Full details are available from the Eynesbury Accommodation Office.

## Temporary accommodation

Temporary accommodation is available in shared dormitories, hostels or hotels. Eynesbury can assist the parents of the students in finding short-term accommodation when they come to visit in Adelaide.

Costs depend on the type and quality of the accommodation. Typical costs vary from A\$125 to \$500 per week.

For further information about accommodation options, please contact the Eynesbury Accommodation Office:

# How to apply

## How can I apply to Eynesbury?

Applications may be made to Eynesbury directly or through an authorised Eynesbury representative (agent). For a list of authorised Eynesbury agents, visit [eynesbury.navitas.com](http://eynesbury.navitas.com) and follow the 'How to Apply' link.

Early application and payment will assist in securing a place in the chosen pathway program(s) and allow sufficient time to obtain a student visa.

## Application process

Students should complete the Application form and attach certified copies of:

- all academic qualifications (including school reports and official examination certificates)
- English test results or other evidence of English competency (if applicable)
- any relevant employment documents (if applicable)

Applications and other documents should be sent to Eynesbury or one of our representative offices.

Certified translations must accompany any documents that are not in English.

Copies may be certified by:

- the official records department of the institution that originally issued the documents
- a Justice of the Peace or Public Notary
- an authorised Eynesbury representative
- a staff member of an Australian Embassy, Consulate or High Commission

Two passport-sized photographs should also be attached.

## What happens next?

If the student application is successful, Eynesbury will issue a Letter of Offer will be issued explaining the program offered, the fees payable, and program commencement dates.

To accept the offer, students must pay the fees and charges due. This will include program fees for one term/trimester, plus the Overseas Student Health Cover charge. Overseas Student Health Cover is calculated for all students, unless they already have appropriate health cover (students must provide evidence that they already have health cover in this situation).

## Streamline Visa Processing

Streamlined visa processing is available for students applying to study in Australia at a participating university. Streamlined visa

processing applicants are treated as though they are lower migration risk (similar to the current Assessment Level 1) regardless of their country of origin. This reduces the amount of documentation required and the length of time it takes to issue the student visa.

## Payment

Fees must be paid in Australian dollars. Students can pay their tuition fees by telegraphic fund transfer, direct deposit, international bank draft or bank cheque.

Eynesbury does not accept cash payments.
