From Intermediate level (Level 104), students begin to concentrate on academic literacy skills with classes dedicated to academic preparation, typically improving academic reading, writing, listening and speaking skills.

## Homestay - Sydney and Brisbane

The most popular accommodation option for students is to live with local English-speaking ELS homestay hosts. Hosts are carefully screened and their homes regularly inspected to ensure they provide you with a pleasant and safe “home away from home.” Living in homestay provides you with a wonderful opportunity to speak English in an everyday context and also allows you to experience Australian customs and culture first hand. Students in homestay often develop very close relationships with their hosts—friendships that can last a lifetime.

You will have your own fully furnished room. In Sydney, homestay includes breakfast and dinner Monday to Friday and all meals on weekends. In Brisbane, three meals per day are provided if requested.

Airport transfers are available on request.

Our student support staff will meet regularly with you to make sure you continue to be happy throughout your stay.

## Student Accommodation – Sydney and Brisbane

If you would prefer to live in a student environment, there are many student residences of varying standards and prices available. One typical option in Sydney is Cranbury House. This budget-priced residence is conveniently located in Bondi, close to a large range of transport, shopping and entertainment options. It features a communal kitchen and dining area, a garden area with outdoor seating, separate male and female bathrooms and coin-operated laundry facilities. Communal areas are cleaned daily. The fully furnished single and twin rooms also have a study desk and chair, a refrigerator and free wireless Internet. Bed linen is changed weekly.

One typical option in Brisbane is Urbanest. This student accommodation is in South Bank on the door step to beautiful Parklands, art galleries, museums, a vibrant nightlife and is just over the river from the Brisbane city centre. Featuring air conditioning, ensuite bathrooms and fully fitted modern kitchen/living areas, the apartments are in an ideal location for students being directly opposite South Bank train station and busway and within easy reach of MSIT and Brisbane’s universities.

“My homestay family helped me with everything and it was never a problem. They treated me just like real parents would. I feel so lucky to have stayed with them.”

Steve – SWITZERLAND
